

LITEUP WI-FI HEATPUMP CONTROL PROMOTION FEBRUARY 2019

This promotion is open for Christchurch residents and runs until 28/02/2019.

The deal includes:

- **One Sensibo Sky Wi-Fi Heatpump Controller in White**
- **On-site set up by a LiteUp technician**
- **Set up for up to 2 phones**
- **A 15 minute tutorial on how to use the app**

The requirements to install WiFi heatpump control include:

- **A WiFi connection with sufficient range to reach the Sensibo controller**
- **A compatible heat pump (most NZ brands are compatible)**
- **An internet connection**
- **A smartphone or Google Home smart speaker to control the device**
- **An available power point near the heat pump to power the Sensibo**
- **Either a Google Account (on an Android phone), or an Apple ID (on an iPhone) in order to download the Sensibo app**

If you already have Wi-Fi, a heatpump and a smart phone then you should be OK but we are on hand to answer any questions. Please call us first if you are unsure.

If for any reason we are unable to install the controller in the first instance, we will let you know what the requirements are. We are able to advise on, supply and install all necessary equipment if you don't meet the requirements above.

This promotion is for Residential and Small business customers only, living within our Travel Zones as shown on our "Pricing" page.
